is pleased to offer the following training to our members:

Emotional & Spiritual Care in Disasters A Two Day Workshop – **May 5 & 6**

This advanced level course will enhance your skills to provide effective emotional and spiritual care (ESC) to meet the disaster-related needs of disaster responders and disaster affected families and individuals within disaster operations. This course builds on the crisis intervention principles taught in the Critical Incident Stress Management (CISM) core courses to effectively integrate these principles within ESC teams for appropriate care throughout the disaster continuum from the immediate to long-term recovery process.

This course is designed for trained clergy, chaplains, mental health professionals, and CISM trained crisis responders who desire to enhance their skills in providing Emotional and Spiritual Care to survivors of disaster and trauma.

- One's own faith tradition and ESC
- ESC & the Incident Command System
- ESD & disaster relief operations
- Suitability to provide ESC
- Range of ESC interventions in the aftermath
- Maintaining health during deployment
- Team assessment
- Deployment personal care plans

Suggested but not mandatory prerequisites: Individual Crisis Intervention & Peer Support; Group Crisis Intervention; Pastoral Crisis Intervention.

—WORKSHOP INSTRUCTOR —
