Here we Are—Are you ready

The Week has finally arrived and we are raring to go. Are you ready for an exciting week of work and Play?

Prepare yourselves for This will be an experience you will not forget

From the Director

Students

Welcome to one of the best training experiences of your Civil Air Patrol career.

You will be challenged to expand your knowledge and abilities in and for CAP.

The NERSC will give you a better understanding of how to communicate with your fellow CAP members as well as others outside of CAP

You will have the ability to carry yourself in a military manner and to practice good Air Force and CAP customs and courtesies.

I have found that a good sense of humor, comradeship and the ability accept changes with flexibility are keys to having an enjoyable stay at McGuire AFB.

We are on an Air Force facility so maintain and conduct your yourself with that in mind.

Remember SAFETY is number one in all we do at the NERSC.

Dennis R. Bannon Lt Col, CAP
Director NERSC
